Dear

Re: Jeremiah DUGGAN, deceased.

Thank you for your letter of 12th November. I am prepared to make you a properly interested party for the purpose of obtaining notes of evidence relating to the inquest into the death of Jeremiah Duggan.

I think that you may find that there are no outstanding issues that our government need take up with the German government.

I hope that this helps you and your German counterparts.

Yours sincerely,

Dr W.F.G. Dolman,
H.M. Coroner.
